## Henna

Henna tinting 'stains' the skin more effectively than regular tinting and sets to a powder like matte finish that last 2-4 weeks depending on the skin type. This treatment is vegan friendly and all natural. Many clients comment that it reduces the need to fill in the brows and adds definition where hairs are sparse or non-existent. No peroxides or preservatives.

30 mins - \$60

## Lash Lift / Perm

Lash Lift is a semi-permanent treatment that gives your natural lashes an illusion of perfectly curled lashes with added definition. It is a great alternative to eyelash extensions, as it requires very little maintenance and has long lasting results. 30mins - \$60
